

Mount Olive Online Giving Information

Mount Olive has an online giving program thru Vanco, with a dedicated web page for Mount Olive donations. Vanco provides a secure, easy to use online interface which allows Mount Olive to receive one-time or recurring donations.

It also allows us receive donations for special causes, such as the recent collection for a defibrillator.

Online donations can be made with a credit or debit card or with a bank account using an electronic funds transfer (EFT). If the donation is made using a card, a fee of 2.75% is charged. For example, if a donation of \$100 is made with a credit card, the fee would be \$2.75. The donation to the church would be reduced by that amount, or you can opt to pay the fee so the church would receive the entire \$100. There is no fee charged when using a bank account.

For one-time donations, you don't need to set up a login to the Vanco site. If you would like to make recurring donations, make sure to use the "Sign Up" option at the top of the web page to set up an account. This will allow you to manage saved payment methods.

Vanco's e-giving tools are used by over 25,000 churches. Vanco has a partnership with the ELCA and has more than 20 years of experience processing gifts and payments for churches. Vanco previously operated the "Simply Giving" program, which was endorsed by Thrivent Financial for Lutherans.

Vanco's dedicated web page for Mount Olive's online donations can be accessed thru the following link:
